Dear Lucky 13 Runners,

The Lucky 13 Run is a fun race with a great St Patrick's Day Theme. We give all the runners a green hat and shirt ask that you run in your shirt if possible but not required. Remember that March 17, 2018 is still technically winter and the forecast is a chance of rain so dress accordingly. We are lucky to have it on St. Patricks Day in 2018!!!

This race starts at the Water Tower at Gardner Village and is an out and back on the Jordan River Parkway Trail System. We ask that you pay attention to the course. We will try to have volunteers for every turn on the trail however sometimes not all volunteers in staying where they are supposed to be. We hope they are all right where they are set to be, however if you have any doubt we tell you to look at the course. We should have a yellow duct tape arrow marking your path for every turn on the ground.

Spectators – We encourage spectators for the race. The best location for spectating is at the Start and finish which are the same location as Gardner Village. The rest of the course is a paved trail with not a lot of room to cheer without getting in the way. Also the start and finish has the most fun and excitement. Going on the trail could put you or your spectator in danger.

Timing is done via timing chips. Timing chips are on the back of the bib numbers so please do not remove them. We ask that everyone wear their bibs on the outside of their clothing for a good chip read. Timing chips are 99% accurate. Of the 1% that is missed it is 99% due to a racer wearing their bib wrong under clothes or damaging it. Wear it proudly in front and do not remove any labels, stickers, tabs off your bibs.

At the finish we encourage you to look for our Leprechaun who will be giving out finisher medal and gold chocolate.

We hope you are a lucky runner,

On Hill Events

Aid Stations

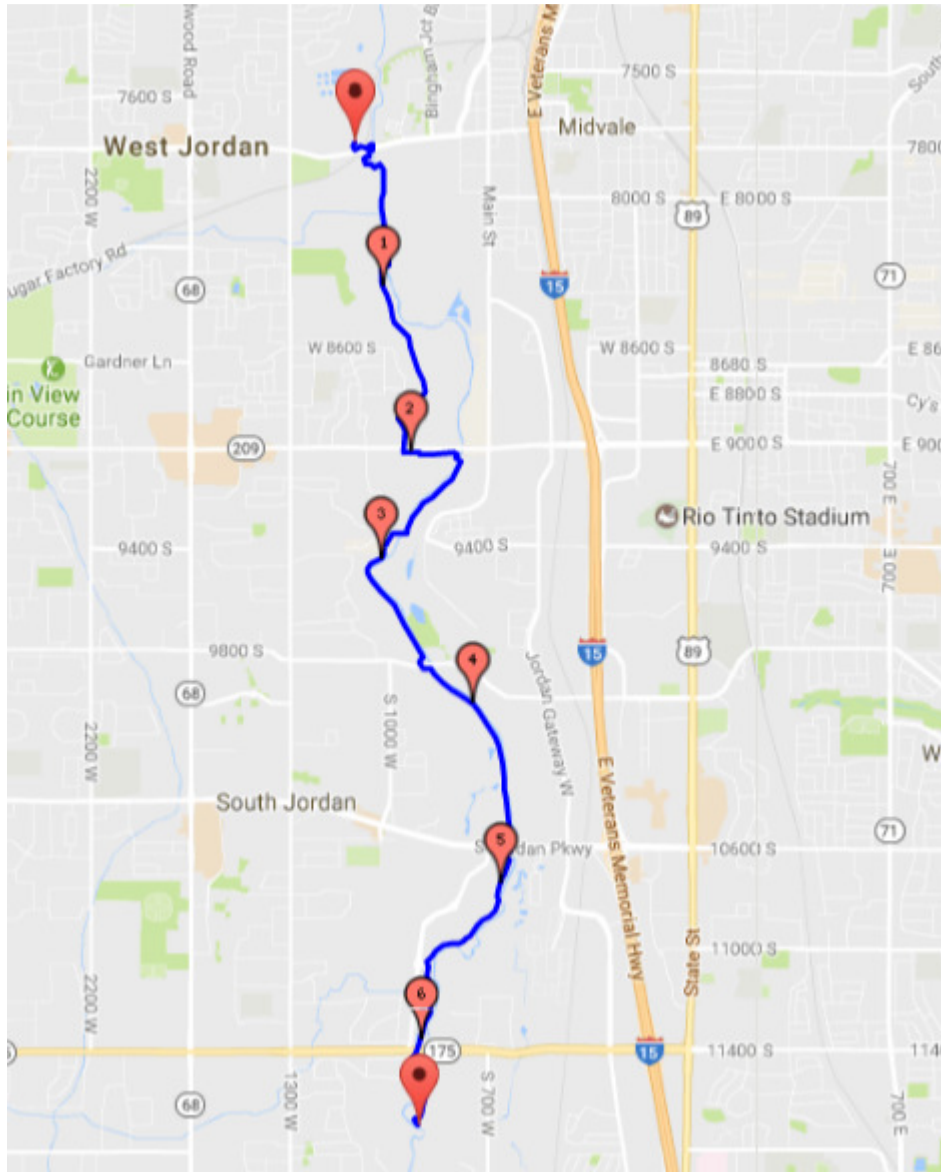

Half Distance Mile 1.44, 2.9, 4.5, 6, 7.1, 8.6, 10.2, 11.66

10K Mile 1.44, 3.3, 4.76

5K Mile 1.44

Aid Stations have water, Powerade, bathroom. Mile 7.1 10.2 Gels

Course Map – Follow Yellow Spray Chalk Arrows on the course.

Start Gardner Village near the Water Tower and head Southeast along the road. At the Trail head go on to the Jordan River Parkway Trail. There you will again head South. As you can see from this map the course gradually turns over a bridge to continue South. If you are familiar with our traditional 5K route this makes a turn prior to the 5K turnaround over the second bridge. We will have someone at the turn around locations however the aid stations will be unique locations due to distances of potties. The #1 potty will be at Mile 1.44 just shy of the 5K turn around. The #2 potty (haha I said #2 potty) will be at Mile 3.2 just past the 10K turn around. It would be better to be prior to it however we can only place potties near trail heads. If you are a 10K runner and can wait turn around at your turn around and use the Mile 1.44 potty. If you cannot wait just run 100 yards ahead of the 10K turn around. It may add .2 of a mile to your 10K however somethings could be worse. The next potty is at Mile 3.9 and Mile 6. We will

have aid stations a bit down the road from Mile 3.9 at 4.5 due to permit requirements at those with volunteers. 6.55 or the Half Marathon turnaround is up the road from the last aid station. It will have a volunteer there at each turnaround.

Parking

There is plenty of parking in the back of Gardner Village for runners and spectators. Please access Gardner Village from the 7800 South on the Western Entrance if possible for racers and spectators. It will make it easier for runners and you to exit at the end of the race.

Check out www.OnHillEvents.com for our 2018 Schedule of races.
